Local Children to Benefit from Surry Telephone Toy Collection

Dobson, NC – December, 2010 The spirit of giving is alive and well at Surry Telephone where employees once again gathered toys to be donated locally. The annual Surry Telephone Employee Toy Drive encourages employees to give toys that will this year be donated to the Salvation Army which assists thousands of families within the Surry Telephone coverage area. The toy donation is one of many services the Salvation Army provides members of the community including: shelters, family stores, emergency and disaster response, crisis assistance, Christmas assistance, adult rehabilitation, boys and girls clubs, worship services, music and art programs.

“Surry Telephone truly has the best employees who are willing to give so that others may have. Employees are thankful for the opportunity to give back to the communities we serve,” stated Melanie Senter, Marketing Manager Surry Telephone.

Surry Telephone continues to set the pace as a local business that continually serves and gives back to the community. Programs such as the School Rebate Program, American Red Cross Blood Drives, Breast Cancer Awareness Initiatives, Canned Food Drives, Charity Golf Tournaments and more have allowed them to make significant contributions locally.
