Too Good To Be True?

Are you seeing those TV ads promising prices for telephone or internet that sound "too good to be true"? They often are. Read the fine print and you may see that the prices are for services that are below the standard for products that Surry Telephone offers.

Questions to ask:

- What internet speed does this price include?
- What areas do the long distance plans cover?
- Do I have to sign a contract? If so, for how long? What if I cancel service, is there a cancellation fee? Does the contract automatically renew?
- Are there connection fees?

You deserve the best

Surry Telephone customers receive up to 3.0 mbps internet speed for one low price.

Our No-Limit bundle offers unlimited long distance to the Continental US and Canada. Surry Telephone does not require contracts so there is no fine print! There are no connection fees for basic installation.

Surry Telephone service is second to none. Our technicians consistently exceed our bench marks for response and quality which exceed industry standards. We offer 24x7 Customer Care and four convenient locations. And best of all, we are owned by our customers. For more information, please call us at 374-5021.

Sweet Corn Bread Pudding

- 1/2 onion, diced
- 1 tablespoon unsalted butter
- 1/2 teaspoon thyme
- 1/2 teaspoon rosemary
- 1 (15-ounce) can creamed style sweet corn
- 1 cup heavy cream

RECIPE OF THE MONTH

- 2 eggs
- 1 teaspoon baking powder
- 1/2 cup yellow cornmeal
- 1/2 cup shredded Parmesan
- 1 teaspoon kosher salt
- Ground black pepper
- 2 cups cubed French bread

Preheat oven to 350 degrees F. Cook onions with butter and herbs in an oven safe skillet (I use cast iron) until translucent. Combine corn, cream, eggs, baking powder, cornmeal, Parmesan, salt, and pepper in a large mixing bowl. Add cubed bread and fold to combine. Pour batter into skillet, right on top of the onion mixture. Bake 50 minutes, or until set. Cool slightly before serving.
